- *Tech Stack*: React, Node.js, Express, HTML, CSS

EXPERIENCE

JPMORGAN CHASE & CO. (New York, NY)

Client Onboarding Team   09/2019 – 10/2020
Associate

- Skillfully executed 20 loan portfolio onboardings through focused integration efforts and daily collaboration with internal teams and clients. Managed relationship between clients and JPM tech team to troubleshoot onboarding roadblocks and optimize solutions.
- Successful portfolio onboardings generated over $3 Billion in new business for JPM Loan Servicing Team.

CITCO FUND SERVICES (Jersey City, NJ)

Debt Team   01/2018 – 08/2019
Fund Associate

- Strategically optimized loan servicing process for flagship client's $5 Billion loan portfolio. Met with client to discuss goals/expectations and implemented operational solutions and risk analysis metrics which improved our client-service offering.
- Optimization efforts resulted in a 25% decrease in monthly position breaks to agency banks across 2k loan positions. Portfolio cash risk mitigation efforts resulted in a 50% decrease in the collection timeframe of money owed to our client from agency banks.

Reconciliation Team   05/2011 – 12/2017
Financial Analyst => Senior Financial Analyst => Fund Associate

- Institutionalized reconciliation platform which enhanced our client's user experience and reduced organizational costs by $10 Million. Collaborated with tech team to develop and build robust product features including dynamic monitoring of holdings and PnL data.
